What exactly is mentoring?

Mentoring is an intentional relationship between an Older person and another person and sometimes younger persons.

It is walking through life together for a season, sharing wisdom, life experiences, and growing in your relationship with Christ.

Being a mentor is not about what you know, but about listening well, opening up your life to someone, and pointing their eyes always to Christ. And by doing so it has the power to transform lives.

Mentoring has been going on since Jesus walked on the earth, it just wasn't called that. It is a simple, modern-day way of doing what Jesus did – making disciples. Discipleship through intentional relationship. Mentoring defined.

Mentor ME – Mentoring Men and Women – Called to More.

Mentor ME, Int'l is a transformational program to provide mentorship for both women and men. We provide help for teenagers (12-17), young adult men and women and older men and women (18 and up) to become Mighty Men of Valour and Women of Purpose and Destiny. Our aim is to transform the lives of both men and women by showcasing God's Glory in the way they present themselves and the way that they live their lives. The program teaches sound biblical principle, which are applied toward purpose, spiritual mentoring, health and wellness, self-identity, social graces, etiquette, physical and nutritional fitness, financial and time management and entrepreneurship.

Our goal is to provoke every man and woman, young and old, to do and accomplish more. We exist to help generations journey together through intentional relationships focused on Him, calling men and women to a higher vision, a more abundant life, and a deeper relationship with Christ.

Mentor ME is a faith-based outreach ministry designed for men and women to receive spiritual and life empowerment. Our goal is to develop open and honest Christ-centered relationships where women will feel united and connected to one another, while receiving spiritual guidance, support, love, encouragement and appreciation.
